WHAT IS PA GEOPAC?

The Political Action Committee for Geologists and Environmental Professionals!

Each day, elected officials make countless decisions which affect your professional and personal future. Now you can have something to say about it. How? Through PA GEOPAC, the official political action committee of PCPG.

A PAC is an effective way to lend financial support to candidates who support the legislative goals of a particular organization, or who are willing to lend an ear to members of the organization. More than 200 trade and professional organizations in the state have formed PACs including doctors, dentists, lawyers, bankers, and builders.

GEOPAC contributes to candidates running for office in the state Senate and the House of Representatives (the General Assembly of Pennsylvania). Contributions made to candidates using PA GEOPAC funds are carefully analyzed by the PCPG Governmental Affairs Committee and the GEOPAC Chair, Grover Emrich, Ph.D., P.G.

Candidate contributions enhance the visibility of an organization... it is one way for PCPG to gain access. Without access, our legislative achievements will be limited, at best.

Your donation will strengthen our voice when and where you need it most... right now at the state Capitol where decisions are being made regarding water well legislation, water resource management policy, mining, professional practice requirements, and a state water plan.

Joining GEOPAC is easy. Just complete this form and return it along with your check.

Enclosed is my donation in the amount of:

___ \$100 ___ \$250 ___ \$500 \$_____ (Other)

PCPG: Please make financial contributions to political campaigns of those Pennsylvania legislators who support the issues important to geologists and environmental professionals in Pennsylvania.

Name: _____

Home Address: _____

Home City/State/Zip: _____

Occupation: _____

Contributions may be made by personal check or company check only if from a sole proprietorship or partnership. Otherwise, no corporate or business checks may be accepted.

Mail your check made payable to GEOPAC along with this completed form to:
