## Benefits of PCPG Associate Membership

PCPG has over 500 members employed by industry, government, and academia -- people that include many of the purchasers of the products and services your company provides. For the stated annual dues, your firm can become an Associate Member to this well-established organization. Membership fee includes up to four individuals who qualify for discounted event enrollment, receive biweekly eBlasts and receive the quarterly digital PCPG Newsletter.

### ***Some of the benefits your company will receive include:***

- An opportunity to attend meetings and events, which are likewise attended by principals and decision makers from our member companies.
- A complimentary 6' display table and one complimentary enrollment for our Annual Meeting attended by over 100 individuals.
- An opportunity to partner/sponsor a PCPG Webinar.
- Upon request, ability to obtain a list of Corporate Member primary contacts, phone numbers, and USPS mailing addresses.
- Networking opportunities with our members -- those same firms that utilize your products and services.
- A complimentary half-page sponsorship in our quarterly PCPG Newsletter once per year providing your company is a member in good standing. Additional placements at discounted rate.
- Your company logo, contact name, and phone number in a dedicated "Associate Member" directory appearing in each issue of our quarterly PCPG Newsletter.

*We urge you to take advantage of this exclusive invitation to be considered a preferred business partner and supplier to our Members.*
